

RESOLUTION OF THE NEW JERSEY STATE EMERGENCY RESPONSE
COMMISSION (SERC) DESIGNATING ATLANTIC COUNTY AS AN
EMERGENCY PLANNING DISTRICT

Whereas Executive Order No. 284 (2022) authorizes the SERC to designate emergency planning districts according to certain political subdivisions and to revise such designations;

Whereas the SERC has determined that Atlantic County should be designated as an emergency planning district and shall undertake the responsibilities set forth under Executive Order No. 284 and the federal Emergency Planning and Community Right-to-Know Act ("EPCRA"), 42 U.S.C. §§ 11001 to 11050;

By a vote taken on April 28, 2023, the SERC passed a resolution designating Atlantic County as an emergency planning district. No municipality located within Atlantic County shall constitute as an emergency planning district, subject to the SERC's authority to change future designations. Pursuant to Executive Order No. 284, all municipalities shall cooperate and provide relevant information to Atlantic County's Local Emergency Planning Committee ("LEPC"). These changes shall take effect immediately.

Atlantic County shall appoint a LEPC, supervise the LEPC's compliance with Executive Order No. 284, and otherwise comply with the requirements of Executive Order No. 284 and EPCRA.

The Atlantic County LEPC shall start preparing the district's Offsite Emergency Response Plan so that it is completed and approved within 180 days from the date of this resolution. The approval shall take place at a meeting of the LEPC. The LEPC shall submit the approved Offsite Emergency Response Plan to the SERC.

The SERC shall assess and report on the results of this designation within one year.

Nothing herein shall affect each municipality's obligation to comply with the NJ Civilian Defense and Disaster Control Act, N.J.S.A. App. A:9-33 et seq., including but not limited to, the requirement to maintain an updated Emergency Operations Plan and to appoint a local emergency management council.

By a vote taken on April 19, 2024, the SERC passed a resolution designating Passaic County as an emergency planning district. Municipalities located within Passaic County will no longer be considered an emergency planning district, with exception of the City of Clifton, which shall continue as an emergency planning district. Passaic County and the City of Clifton shall be constituted as emergency planning districts, subject to the SERC's authority to change future designations. Pursuant to Executive Order No. 284 (Governor Murphy, 2022), all municipalities included within the Passaic County emergency planning district shall cooperate and provide relevant information to Passaic County's Local Emergency Planning Committee ("LEPC"). These changes shall take effect immediately.

Passaic County shall appoint a LEPC, supervise the LEPC's compliance with Executive Order No. 284 (Governor Murphy, 2022), and otherwise comply with the requirements of Executive Order No. 284 (Governor Murphy, 2022) and EPCRA.

The Passaic County LEPC shall start preparing the district's Offsite Emergency Response Plan so that it is completed and approved within 180 days from the date of this resolution. The approval shall take place at a meeting of the LEPC. The LEPC shall submit the approved Offsite Emergency Response Plan to the SERC.

The City of Clifton shall continue as an independent emergency planning district and the Clifton LEPC shall continue to undertake all responsibilities as required by EPCRA, Executive Order No. 161 (Governor Kean, 1987), and Executive Order No. 284 (Governor Murphy, 2022).

The SERC shall assess and report on the results of this designation within one year.

Nothing herein shall affect each municipality's obligation to comply with the NJ Civilian Defense and Disaster Control Act, N.J.S.A. App. A:9-33 et seq., including but not limited to, the requirement to maintain an updated Emergency Operations Plan and to appoint a local emergency management council.
