

## Appendix N

### Other Federal Funding Assistance

*This summary of available federal programs relates to mitigation planning and may provide possible sources of funding or technical support for mitigation initiatives. **Note:** The information below was included in the Hudson and Cape May Counties All Hazard Plans prepared by the consulting Firm of Tetra Tech.*

Program/Activity	Type of Assistance	Agency and Contact
<i>B a s i c   a n d   A p p l i e d   R e s e a r c h / D e v e l o p m e n t</i>		
<i>Center for Integration of Natural Disaster Information</i>	<b>Technical Assistance:</b> Develops and evaluates technology for information integration and dissemination	<i>Department of Interior (DOI) US Geological Survey (USGS) Center for Integration of Natural Hazards Research: (703) 648-6059 <a href="mailto:hazinfo@usgs.gov">hazinfo@usgs.gov</a></i>
<i>Hazard Reduction Program</i>	<b>Funding</b> for research and related educational activities on hazards.	<i>National Science Foundation (NSF), Directorate for Engineering Division of Civil and Mechanical Systems Hazard Reduction Program: (703) 306-1360</i>
<i>Decision, Risk, and Management Science Program</i>	<b>Funding</b> for research and related educational activities on risk, perception, communication, and management (primarily technological hazards)	<i>National Science Foundation (NSF), Directorate for Social, Behavioral and Economic Science, Division of Social Behavioral and Economic Research, Decision, Risk, and Management Science Program (DRMS): (703) 306-1757 <a href="http://www.nsf.gov/sbe/drms/start.htm">www.nsf.gov/sbe/drms/start.htm</a></i>
<i>Societal Dimensions of Engineering, Science, and Technology Program</i>	<b>Funding</b> for research and related educational activities on topics such as ethics, values, and the assessment, communication, management and perception of risk	<i>National Science Foundation (NSF), Directorate for Social, Behavioral and Economic Science, Division of Social, Behavioral and Economic Research Societal Dimensions of Engineering, Science and Technology Program: (703) 306-1743</i>
<i>National Earthquake Hazard Reduction Program (NEHRP) in Earth Sciences</i>	<b>Research</b> into basic and applied earth and building sciences.	<i>National Science Foundation (NSF), Directorate for Geosciences, Division of Earth Sciences: (703) 306-1550</i>
<i>T e c h n i c a l   a n d   P l a n n i n g   A s s i s t a n c e</i>		
<i>Planning Assistance to States</i>	<b>Technical and planning assistance</b> for the preparation of comprehensive plans for the development, utilization, and conservation of water and related land resources.	<i>Department of Defense (DOD) US Army Corps of Engineers (USACE) - North Atlantic Regional Office (212) 264-7813</i>
<i>Disaster Mitigation Planning and Technical Assistance</i>	<b>Technical and planning assistance</b> grants for capacity building and mitigation project activities focusing on creating disaster resistant jobs and workplaces.	<i>FEMA * See below for contact information Department of Commerce (DOC) Economic Development Administration (EDA): (800) 345-1222 Disaster Recovery Coordinator: (202) 482-6225 <a href="http://www.doc.gov/eda">www.doc.gov/eda</a></i>

<b>Program/Activity</b>	<b>Type of Assistance</b>	<b>Agency and Contact</b>
Watershed Surveys and Planning	<i>Surveys and planning studies for appraising water and related resources, and formulating alternative plans for conservation use and development. Grants and advisory/counseling services to assist w/ planning and implementation improvement.</i>	US Department of Agriculture (USDA) National Resources Conservation Service (NRCS) Watersheds and Wetlands Division: (202) 720-4527 Deputy Chief for Programs: (202) 690-0848 <a href="http://www.nrcs.usda.gov">www.nrcs.usda.gov</a>
National Flood Insurance Program	<i>Formula grants to States to assist communities to comply with NFIP floodplain management requirements (Community Assistance Program).</i>	FEMA * See below for contact information
Emergency Management / Mitigation Training	<i>Training in disaster mitigation, preparedness, planning.</i>	FEMA * See below for contact information
National Dam Safety Program	<i>Technical assistance, training, and grants to help improve State dam safety programs.</i>	FEMA * See below for contact information
National Earthquake Hazards Reduction Program	<i>Training, planning and technical assistance under grants to States or local jurisdictions.</i>	FEMA – See below for contact information  Department of Interior (DOI) US Geological Survey (USGS) Earthquake Program Coordinator: (703) 648-6785
Volcano Hazards Program	<i>Technical assistance: Volcano hazard warnings and operation of four volcano observatories to monitor and assess volcano hazard risk.</i>	Department of Interior (DOI) US Geological Survey (USGS) Volcanic Hazards Program Coordinator: (703) 648-6708 (650) 329-5228
Floodplain Management Services	<i>Technical and planning assistance at the local, regional, or national level needed to support effective floodplain management.</i>	Department of Defense (DOD) US Army Corps of Engineers (USACE) - North Atlantic Regional Office (212) 264-7813
Watershed Protection and Flood Prevention Program	<i>Technical and financial assistance for installing works of improvement to protect, develop, and utilize land or water resources in small watersheds under 250,000 acres.</i>	US Department of Agriculture (USDA) National Resources Conservation Service (NRCS) Director, Watersheds and Wetlands Division: (202) 720-3042 (202) 690-4614 <a href="http://www.nrcs.usda.gov">www.nrcs.usda.gov</a>
Environmental Quality Incentives Program (EQIP)	<i>Technical, educational, and limited financial assistance to encourage environmental enhancement.</i>	USDA-NRCS – See above
National Earthquake Hazard Reduction Program	<i>Technical and planning assistance for activities associated with earthquake hazards mitigation.</i>	FEMA – See below for contact information  Department of Interior (DOI) US Geological Survey (USGS) Earthquake Program Coordinator: (703) 648-6785
<b>Hazard Identification And Mapping</b>		

<b>Program/Activity</b>	<b>Type of Assistance</b>	<b>Agency and Contact</b>
National Flood Insurance Program: Flood Mapping	<b>Flood insurance rate maps</b> and flood plain management maps for all NFIP communities;	<b>FEMA</b> * See below for contact information
National Flood Insurance Program: Technical Mapping Advisory Council	<b>Technical guidance and advice</b> to coordinate FEMA's map modernization efforts for the National Flood Insurance Program.	Department of Interior (DOI) US Geological Survey (USGS) National Mapping Division: (573) 308-3802
National Digital Orthophoto Program	Develops <b>topographic quadrangles</b> for use in mapping of flood and other hazards.	Department of Interior (DOI) US Geological Survey (USGS) National Mapping Division: (573) 308-3802
Stream gauging and Flood Monitoring Network	Operation of a <b>network of over 7,000 stream gauging stations</b> that provide data on the flood characteristics of rivers.	Department of Interior (DOI) US Geological Survey (USGS) Chief, Office of Surface Water, USGS: (703) 648-5303
Mapping Standards Support	<b>Expertise in mapping and digital data standards</b> to support the National Flood Insurance Program.	Department of Interior (DOI) US Geological Survey (USGS) USGS – National Mapping Division: (573) 308-3802
Soil Survey	<b>Maintains soil surveys</b> of counties or other areas to assist with farming, conservation, mitigation or related purposes.	US Department of Agriculture (USDA) National Resources Conservation Service (NRCS) Deputy Chief for Soil Science and Resource Assessment: (202) 720-4630
National Earthquake Hazards Reduction Program	<b>Seismic mapping for U.S.</b>	Department of Interior (DOI) US Geological Survey (USGS) Earthquake Program Coordinator: (703) 648-6785
<b>Project Support</b>		
Aquatic Ecosystem Restoration	<b>Direct support</b> for carrying out aquatic ecosystem restoration projects that will improve the quality of the environment.	Department of Defense (DOD) US Army Corps of Engineers (USACE) - North Atlantic Regional Office (212) 264-7813
Beneficial Uses of Dredged Materials	<b>Direct assistance</b> for projects that protect, restore, and create aquatic and ecologically related habitats, including wetlands, in connection with dredging an authorized Federal navigation project.	Department of Defense (DOD) US Army Corps of Engineers (USACE) North Atlantic Regional Office (212) 264-7813

<b>Program/Activity</b>	<b>Type of Assistance</b>	<b>Agency and Contact</b>
Wetlands Protection – Development Grants	<b>Grants</b> to support the development and enhancement of State and tribal wetlands protection programs.	US Environmental Protection Agency (EPA) EPA Wetlands Hotline: (800) 832-7828 Or EPA Headquarters, Office of Water Chief, Wetlands Strategies and State Programs: (202) 260-6045
Clean Water Act Section 319 Grants	<b>Grants to States</b> to implement non-point source programs, including support for non-structural watershed resource restoration activities.	US Environmental Protection Agency (EPA) Office of Water Chief, Non-Point Source Control Branch: (202) 260-7088, 7100
Coastal Zone Management Program	<b>Grants</b> for planning and implementation of non-structural coastal flood and hurricane hazard mitigation projects and coastal wetlands restoration.	Department of Commerce <b>DOC</b> National Oceanic and Atmospheric Administration (NOAA) National Ocean Service Office of Ocean and Coastal Resource Management Chief, Coastal Programs Division: (301) 713-3102
Community Development Block Grant (CDBG) State Administered Program	<b>Grants to States</b> to develop viable communities (e.g., housing, a suitable living environment, expanded economic opportunities) in non-entitled areas, for low- and moderate-income persons.	Department of Housing and Urban Development (HUD) State CDBG Program Manager Or State and Small Cities Division, Office of Block Grant Assistance, HUD Headquarters: (202) 708-3587
Community Development Block Grant Entitlement Communities Program	<b>Grants</b> to entitled cities and urban counties to develop viable communities (e.g., decent housing, a suitable living environment, expanded economic opportunities), principally for low- and moderate-income persons.	Department of Housing and Urban Development (HUD) City and county applicants should call the Community Planning and Development staff of their appropriate HUD field office. As an alternative, they may call the Entitlement Communities Division, Office of Block Grant Assistance, HUD Headquarters: (202) 708-1577, 3587
Emergency Watershed Protection Program	Provides <b>technical and financial assistance</b> for relief from imminent hazards in small watersheds, and to reduce vulnerability of life and property in small watershed areas damaged by severe natural hazard events.	US Department of Agriculture (USDA) National Resources Conservation Service (NRCS) National Office – (202) 690-0848 Watersheds and Wetlands Division: (202) 720-3042
Rural Development Assistance - Utilities	Direct and guaranteed rural economic <b>loans and business enterprise grants</b> to address utility issues and development needs.	US Department of Agriculture (USDA) Rural Utilities Service (RUS) Program Support: (202) 720-1382 Northern Regional Division: (202) 720-1402 Electric Staff Division: (202) 720-1900 Power Supply Division: (202) 720-6436
Rural Development Assistance - Housing	<b>Grants, loans, and technical assistance</b> in addressing rehabilitation, health and safety needs in primarily low-income rural areas. Declaration of major disaster necessary.	US Department of Agriculture (USDA) -Rural Housing Service (RHS) Community Programs: (202) 720-1502 Single Family Housing: (202) 720-3773 Multi Family Housing: (202) 720-5177

<b>Program/Activity</b>	<b>Type of Assistance</b>	<b>Agency and Contact</b>
<i>Flood Mitigation Assistance (Previously described)</i>	<b>Grants to States and communities</b> for pre-disaster mitigation to help reduce or eliminate the long-term risk of flood damage to structures insurable under the National Flood Insurance Program.	<b>FEMA</b> * See below for contact information
<i>Hazard Mitigation Grant Program (Previously described in 2.3.2.3)</i>	<b>Grants to States and communities</b> for implementing long-term hazard mitigation measures following a major disaster declaration.	<b>FEMA</b> * See below for contact information
<i>Public Assistance Program (Infrastructure) (Previously described in 2.3.2.2)</i>	<b>Grants to States and communities</b> to repair damaged infrastructure and public facilities, and help restore government or government-related services. Mitigation funding is available for work related to damaged components of the eligible building or structure.	<b>FEMA</b> * See below for contact information
<i>National Flood Insurance Program (Previously described)</i>	Makes available <b>flood insurance</b> to residents of communities that adopt and enforce minimum floodplain management requirements.	<b>FEMA</b> * See below for contact information
<i>HOME Investments Partnerships Program</i>	<b>Grants to States, local government and consortia</b> for permanent and transitional housing (including support for property acquisition and rehabilitation) for low-income persons.	<b>Department of Housing and Urban Development (HUD) Community Planning and Development Grant Programs, Office of Affordable Housing HOME Investment Partnership Programs:</b> (202) 708-2685 (202) 708 0614 extension 4594 1-800-998-9999
<i>Disaster Recovery Initiative</i>	<b>Grants to fund gaps</b> in available recovery assistance after disasters (including mitigation).	<b>Department of Housing and Urban Development (HUD) Community Planning and Development Divisions</b> in their respective HUD field offices or HUD Community Planning and Development: (202) 708-2605
<i>Non-Structural Alternatives to Structural Rehabilitation of Damaged Flood Control Works</i>	<b>Direct planning and construction grants</b> for non-structural alternatives to the structural rehabilitation of flood control works damaged in floods or coastal storms.	<b>Department of Defense (DOD) US Army Corps of Engineers (USACE) – North Atlantic Regional Office (212) 264-7813</b>
<i>Partners for Fish and Wildlife</i>	<b>Financial and technical assistance</b> to private landowners interested in pursuing restoration projects affecting wetlands and riparian habitats.	<b>Department of Interior (DOI) Fish and Wildlife Service (FWS) National Coordinator, Ecological Services:</b> (703) 358-2201 A list of State and Regional contacts is available from the National Coordinator upon request.
<i>Project Modifications for Improvement of the Environment</i>	Provides for <b>ecosystem restoration</b> by modifying structures and/or operations or water resources projects constructed by the USACE, or restoring areas where a USACE project contributed to the degradation of an area.	<b>Department of Defense (DOD) US Army Corps of Engineers (USACE) -</b> See below for contact information

<b>Program/Activity</b>	<b>Type of Assistance</b>	<b>Agency and Contact</b>
Post-Disaster Economic Recovery Grants and Assistance	<b>Grant funding</b> to assist with the long-term economic recovery of communities, industries, and firms adversely impacted by disasters.	Department of Commerce (DOC) Economic Development Administration (EDA) EDA Headquarters Disaster Recovery Coordinator: (202) 482-6225
Public Housing Modernization Reserve for Disasters and Emergencies	<b>Funding</b> to public housing agencies for modernization needs resulting from natural disasters (including elevation, flood proofing, and retrofit).	Department of Housing and Urban Development (HUD) Director, Office of Capital Improvements: (202) 708-1640
Land Protection	<b>Technical assistance</b> for run-off retardation and soil erosion prevention to reduce hazards to life and property.	US Department of Agriculture (USDA) National Resources Conservation Service (NRCS) (202) 720-4527
North American Wetland Conservation Fund	<b>Cost-share grants</b> to stimulate public/private partnerships for the protection, restoration and management of wetland habitats.	Department of the Interior (DOI) Fish and Wildlife Service (FWS) North American Waterfowl and Wetlands Office: (703) 358-1784
Land Acquisition	<b>Acquires or purchases easements</b> on high-quality lands and waters for inclusion into the National Wildlife Refuge System.	Department of the Interior (DOI) Fish and Wildlife Service (FWS) Division of Realty, National Coordinator: (703) 358-1713
Federal Land Transfer / Federal Land to Parks Program	<b>Identifies, assesses, and transfers available Federal real property</b> for acquisition for State and local parks and recreation, such as open space.	Department of the Interior (DOI) National Park Service (NPS) General Services Administration Offices Fort Worth, TX: (817) 334-2331 Boston, MA: (617) 835-5700 Or Federal Lands to Parks Leader NPS National Office: (202) 565-1184
Wetlands Reserve Program	<b>Financial and technical assistance</b> to protect and restore wetlands through easements and restoration agreements.	Department of Agriculture (USDA) National Resources Conservation Service (NRCS) National Policy Coordinator NRCS Watersheds and Wetlands Division: (202) 720-3042
Transfers of Inventory Farm Properties to Federal and State Agencies for Conservation Purposes	Transfers title of certain inventory farm properties owned by FSA to Federal and State agencies for <b>conservation purposes</b> (including the restoration of wetlands and floodplain areas to reduce future flood potential)	US Department of Agriculture (USDA) Farm Service Agency (FSA) Farm Loan Programs National Office: (202) 720-3467, 1632
<b>Financing and Loan Guarantees</b>		
Physical Disaster Loans and Economic Injury Disaster Loans	<b>Disaster loans</b> to non-farm, private sector owners of disaster damaged property for uninsured losses. Loans can be increased by up to 20 percent for mitigation purposes.	Small Business Administration (SBA) National Headquarters Associate Administrator for Disaster Assistance (202) 205-6734

<b>Program/Activity</b>	<b>Type of Assistance</b>	<b>Agency and Contact</b>
Conservation Contracts	<b>Debt reduction</b> for delinquent and non-delinquent borrowers in exchange for conservation contracts placed on environmentally sensitive real property that secures FSA loans.	<b>US Department of Agriculture (USDA)</b> <b>Farm Service Agency (FSA)</b> Farm Loan Programs FSA National Office: (202) 720-3467, 1632 or local FSA office
Clean Water State Revolving Funds	<b>Loans</b> at actual or below-market interest rates to help build, repair, relocate, or replace wastewater treatment plants.	<b>Environmental Protection Agency (EPA)</b> EPA Office of Water State Revolving Fund Branch Branch Chief: (202) 260-7359 A list of Regional Offices is available upon request
Section 108 Loan Guarantee Program	<b>Loan guarantees</b> to public entities for community and economic development (including mitigation measures).	<b>Department of Housing and Urban Development (HUD)</b> Community Planning and Development staff at appropriate HUD field office, or the Section 108 Office in HUD Headquarters: (202) 708-1871
Section 504 Loans for Housing	<b>Repair loans, grants and technical assistance</b> to very low-income senior homeowners living in rural areas to repair their homes and remove health and safety hazards.	<b>US Department of Agriculture (USDA)</b> <b>Rural Housing Service (RHS)</b> Contact local RHS Field Office Or RHS Headquarters, Director, Single Family Housing Direct Loan Division: (202) 720-1474
Section 502 Loan and Guaranteed Loan Program	Provides <b>loans, loan guarantees, and technical assistance</b> to very low and low-income applicants to purchase, build, or rehabilitate a home in a rural area.	<b>US Department of Agriculture (USDA)</b> <b>Rural Housing Service (RHS)</b> Contact the Local RHS Field Office Or Director, Single Family Housing Guaranteed Loan Division, RHS: (202) 720-1452
Rural Development Assistance - Utilities	<b>Direct and guaranteed rural economic loans and business enterprise grants</b> to address utility issues and development needs.	<b>USDA-Rural Utility Service (RUS)</b> Contact Rural Development Field Offices, or RHS, Deputy Administrator, Community Programs Division: (202) 720-1490
Farm Ownership Loans	<b>Direct loans, guaranteed / insured loans, and technical assistance</b> to farmers so that they may develop, construct, improve, or repair farm homes, farms, and service buildings, and to make other necessary improvements.	<b>US Department of Agriculture (USDA)</b> <b>Farm Service Agency (FSA)</b> Director, Farm Programs Loan Making Division, FSA: (202) 720-1632
